Year(s):	2020 (ongoing)
Target age group:	Children
Organisation:	Government
References:	ban on sales of carbonated beverages and sweet snacks in schools, effective January 1, 2020.

Healthy Choices for Healthy Living - Guidelines for Grenada

The process of revising and updating the guidelines was led by the Grenada Food and Nutrition Council (GFNC) (under the Ministry of Agriculture, Lands and Forestry) and supported by a task force that included representatives from the Ministries of Education and Agriculture, Lands and Forestry, GFNC, FAO, Grenada Media Association and Inter-Agency Group of Development Organizations. The guidelines were endorsed by the Ministry of Agriculture, Lands and Forestry and signed by Cabinet in February 2020.

Too Much Junk

In May 2018, the HCC launched the CSO Regional Action Team for Childhood Obesity Prevention including key members of civil society in eight countries: Antigua and Barbuda, Barbados, the Bahamas, Belize, Grenada, Jamaica, St Lucia, and St Kitts Nevis. Together, these organisations have shared materials and best practices in an effort to increase the public awareness around Childhood Obesity and its prevention and to garner thousands of signatures of support for the policies proposed in the HCC's Call to Action at www.toomuchjunk.org.
