Ley de Transformación al Sistema Contributivo del Estado Libre Asociado de Puerto Rico. (Transformation to the fiscal system of the Free Associate State of Puerto Rico)

A tax of an additional 14 cents per litre of soda is proposed by Luis Gándara to the Deputies Chamber. It proposes to use the revenue to improve minors' (children's) life conditions and is part of the Fiscal Reform. Also, a 14 cents per pound or per fraction of a pound will be imposed to all sugars (regardless of type).
