## Policies, Interventions and Actions

### Zimbabwe National Nutrition Strategy

The Food and Nutrition Security Policy and its implementation matrix provide a holistic framework in which the National Nutrition Strategy will address the challenges of malnutrition in a multi-sectoral manner.

## Marketing of Breast-Milk Substitutes: National Implementation of the International Code Status Report 2016 (Promotion of Breastfeeding)

The 2016 report provides information on the status of implementing the International Code of Marketing of Breast-milk Substitutes and subsequent relevant World Health Assembly resolutions (“the Code”) in and by countries. The report also identifies in which countries they actively promote the benefits of breastfeeding.
