Regional report card - under-5s

This report card contains the latest data available on the Global Obesity Observatory on overweight and obesity for children under 5. Where available, data on common and relevant obesity drivers and comorbidities are also presented.

View the latest version of this report on the Global Obesity Observatory at <https://data.worldobesity.org/region/european-union-uk-1/>.

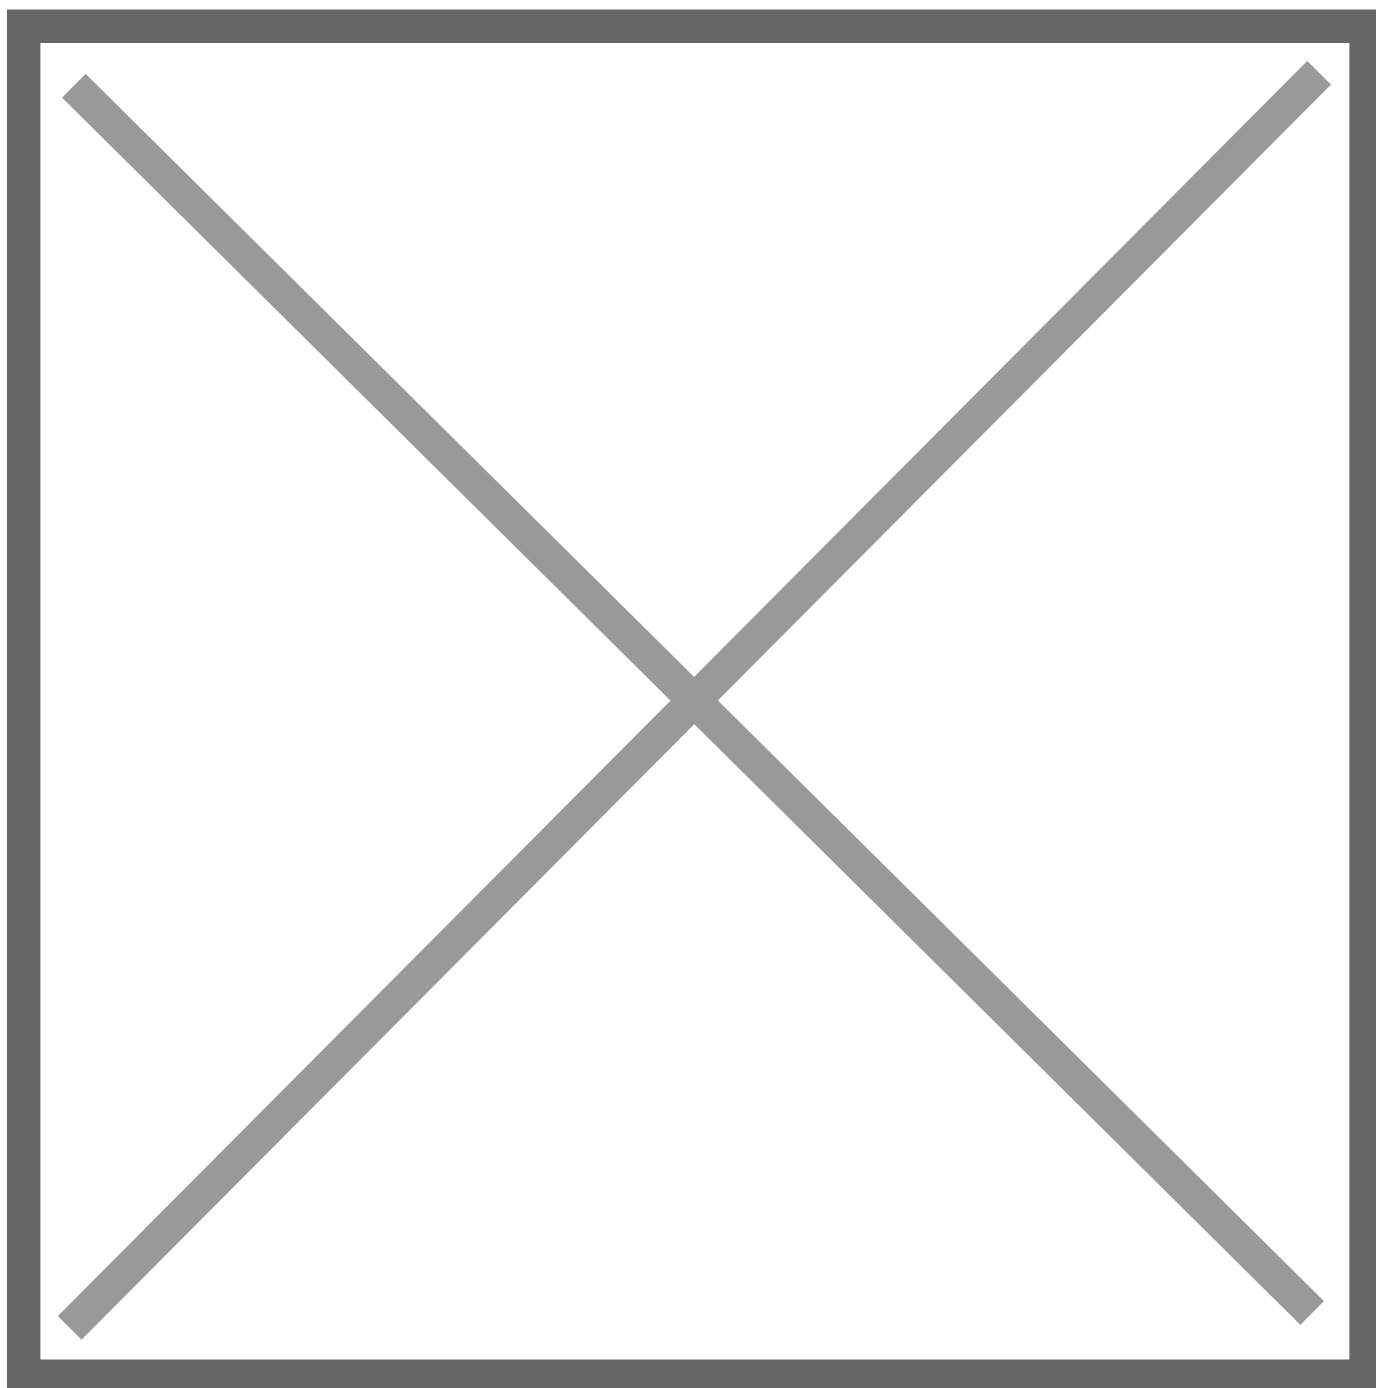

Lihavuuden esiintyvyys

0-5 years

**Huomiot:**

Different methodologies have been used to collect this data and so it is not strictly comparable.

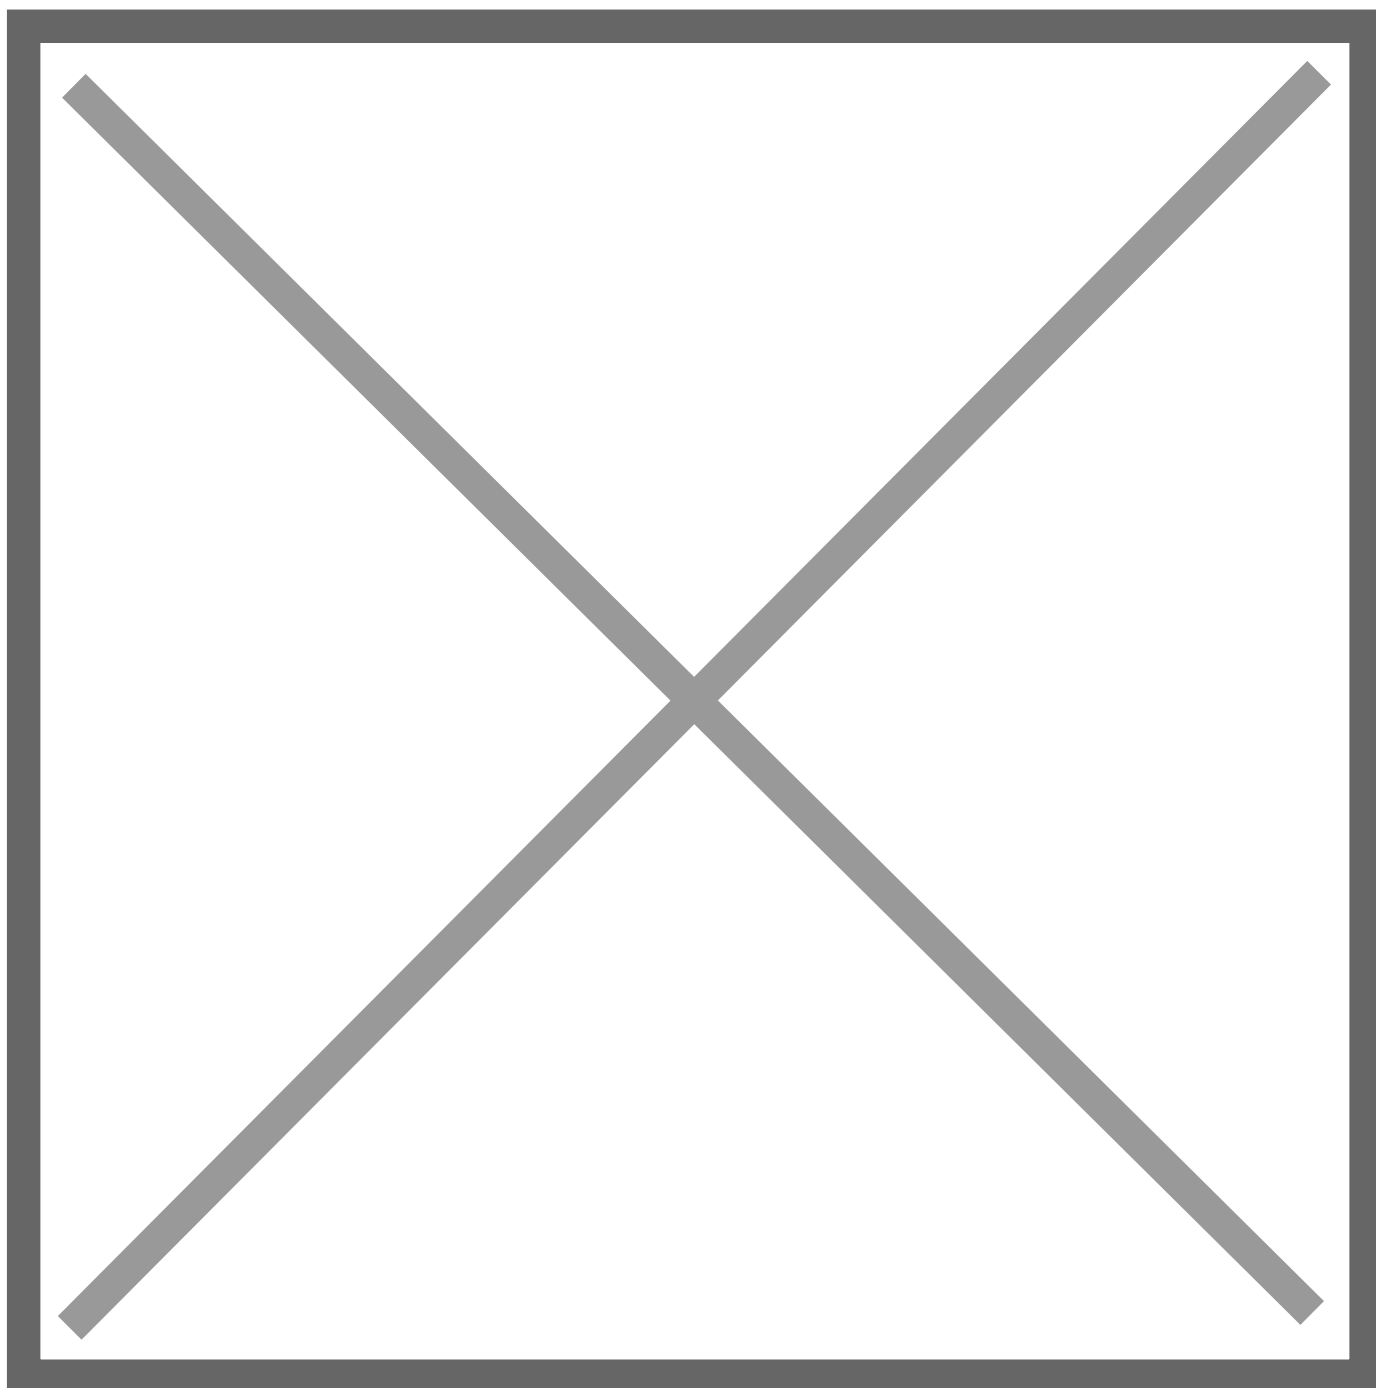

0-5 years boys

Huomiot:

Different methodologies have been used to collect this data and so it is not strictly comparable.

0-5 years girls

Huomiot:

Different methodologies have been used to collect this data and so it is not strictly comparable.
